HOW YOU GENERATE PROFIT

- **Suppose for any service your Associate take Rs. 100/- from direct Customers. But when same project is provided by yours end then they will charge around Rs.90/- only because in this case work is given by a Construction Company.**
- **It's a basic Principle of Market because if you are a regular work supplier to any service provider then they will definitely provide you handsome discount. In this project you are taking all projects under your Company Letter Head and using these Sub-Contractors as a Manpower only that's why they give you rebate.**

HOW MUCH YOU CAN EARN

BCS gives you assurance to provide 25 to 50 clients per month. All deals which you receives ranging from approx. Rs. 50 Thousand to Ten Crores. We will also help you to develop your Company as the Most Cheapest Construction Company of the Market which provides all types of Construction & Renovation related services to its client at the most economical price with best quality. Because we all know that a customer will always select only those service providers who provide them cheapest Service.

From the list of 25 – 50 customers if you able to satisfy the need of 02 – 04 clients in a month then in this situation also you can earn around Rs. 01 Lakh very easily.

Dear Friend, Just Take a Step Forward, we will never left your hand. Only your dedication and passion is required in this Industry.
