HOW YOU HAVE TO DO THIS BUSINESS

1. BCS will help you to prepare a team of Best & Cheapest service providers of the entire market for all types of Categories. They will work as a Sub-Contractor for your Company.
2. Now BCS will again provide its Expert Service for finding guaranteed 10 – 20 customers per month by advising some of the best Marketing Techniques.
3. Finally you have to take contracts from customers and fulfill their requirements by taking help of your Associates. (Please see the Diagram for actual concept)

In this Business you can dispose any case by two method: -

A. Directly with the help of existing Packers & Movers Company with the below mentioned technique: -

Suppose for any service your Associate take Rs. 100/- from direct→ Customers. But when same project is provided by yours end then they will charge around Rs.90/- only because in this case work is given by a Construction Company. It's a basic Principle of Market because if you are a regular work→ supplier to any service provider then they will definitely provide you handsome discount. In this project you are taking all projects under your Company Letter Head and using these Sub-Contractors as a Manpower only that's why they give you rebate.

B. By assembling all units like Transporters, Labours (For Loading & Packing) & Procure Boxes/ Packing Material from market.
